

CEZARES
Designed by Italy

Catalogue 2007-2008

Sanitary ware and accessories under the trade mark CEZARES are produced at different factories in different countries. The company pays great attention to selection of partners for producing of sanitary ware and accessories. The company cooperates only with proved factories and suppliers, which meet high standards of trade mark CEZARES.

Design of sanitary products of CEZARES is made by the best designers of the company. Due to close cooperation between the company's employees, which develop new models, and the production as well as representatives of trade organizations, CEZARES manages to meet the requirements of customers at best. That explains the stable popularity and recognizability of CEZARES sanitary ware.

Combination of style and quality is the hallmark of CEZARES.

Modern art explains

eastern verve.

inspiration comes out of designers' mind, romantic classical mood connects eastern verve very well, quiet and elegant style is created by the inspiration.
